ASIAN TOURISM FAIR (ATF)

Tourism is increasingly a major source of economic growth, employment, income and main revenue of many developing countries. It can significantly contribute to social and economic development activities.

It gives us immense pleasure to invite you to the 13th Asian Tourism Fair (ATF, Dhaka) scheduled to be held on September 24-26, 2026 at International Convention City Bashundhara (ICCB), Dhaka Bangladesh.

ATF is an exceptional platform providing immense opportunities for tourism buyers and sellers from Asian countries to come and showcase their latest Products & services. It is the largest and most popular tourism event in Bangladesh.

This not-to be missed showcase "Asian Tourism Fair" would also serve as a useful development tool for disseminating information for conservation, culture as well as inspire local communities in different countries and help each others tourism destinations.

EVENT'S HIGHLIGHTS

On the early celebration of world tourism day 2025, this year Asian Tourism Fair has taken added glory & prestige with the side line events of Seminar, Workshop, Skill convention, Cultural Programme, Bangladesh Tourism Night & Award Ceremony along with tourism trade exhibition, B2B & B2C Sessions.

MARKET POTENTIAL

Bangladesh is one of the fastest growing markets for outbound, inbound and domestic tourists. Even in the present scenario of corporate culture, the most of companies are offering annual corporate trip at home or abroad. Flights are increasing significantly between Bangladesh and other countries, especially in the Asian & Middle East regions.

Bangladesh is one of the best valued destinations for international tourist (Source: Lonely Planet) having the largest mangrove forest, longest unbroken sea beach, tea gardens, hilly areas and ethnic community, rich cultural heritages, Buddhist heritage sites, hospitable people and many more. It's a valued destination for community based tourism as well. It is the destination of celebrating diversity. Bangladesh is also one of potential tourist source mark et for many asian destinations.
